

CREATE YOUR OWN Campaign

DESIGN PERSONALIZED INITIATIVES TO
RAISE AWARENESS & SAVE LIVES

GAIN SKILLS TO BUILD YOUR RESUME OR
COLLEGE APPLICATION

By participating in MADD's "Create Your Own Campaign", teens can gain valuable skills and experiences that look great on a college application or resume, such as:

Leadership: Organizing and managing a project from start to finish.

Fundraising & Financial Management: Raising money and budgeting for campaign expenses.

Public Speaking & Communication: Presenting ideas to peers and community members.

Marketing & Social Media: Promoting the campaign and engaging others through digital platforms.

Community Service: Demonstrating a commitment to social responsibility and public safety.

These experiences showcase initiative, teamwork, and dedication to a meaningful cause.

Join MADD's "Create Your Own Campaign" and lead in raising awareness about impaired driving. You can design your own campaign—whether it's a fundraiser, event, or social media push—and help support MADD's mission to end drunk driving and keep your community safe.
