

WHERE DOES MY PATH LEAD?

PRESCHOOL/ ELEMENTARY SCHOOL

Explore the world with my peers

Learn about my genius and how it helps me be a leader

Grow my reading, writing, and math skills to equip me for my future

Nurture my curiosity and adaptability to prepare me for an ever-changing world

Connect my personal genius to leadership roles in my school community

Practice making financial decisions, related to income, expenses, savings and credit through JA Finance Park

Discover how my skills and interests spark my career possibilities and help me chart my high school experiences

HIGH SCHOOL

Connect my interests to my strengths to guide my course selection and refine my career exploration

Understand my personality traits as an authentic reflection of myself and engage in a career and college showcase to further refine my postsecondary plan

MIDDLE SCHOOL

INTERESTS

GRADE 9 - GRADE 12

GRADE 6 - GRADE 8

GRADE 3 - GRADE 5

PATH TO GRADUATION

I am ready to **engage in** and **contribute to** an ever-changing world

Engage in authentic career exploration through experiences such as Junior Achievement (JA) BizTown

Examine the relationship between career interests and financial responsibility

Investigate my postsecondary learning and training options to shape my future educational plans

Experience authentic work environments and apply the skills I have learned as I finalize my post-secondary decision

Notice careers through exploration in our community
